SECTION A – GENERAL INTRODUCTION

1. Introduction

- 1.1 This policy sets out the framework for making decisions on employees' pay. It has been developed to comply with current legislation¹, the requirements of the School Teachers' Pay and Conditions Document (STPCD), the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service ("Green Book") and in accordance with the principles of public life – objectivity, openness and accountability.
- 1.2 There is aspiration for all MAT academies to be rated as Good and most to be rated to be Outstanding. It is believed that this will be attainable with good and outstanding teaching.
- 1.3 In adopting this pay policy the aim is to:
- (a) achieve excellent outcomes for all students;
 - (b) support the recruitment and retention of a high quality workforce;
 - (c) complement the Appraisal Policy which is supportive and developmental and ensures employees have the skills and support to do their job effectively;
 - (d) enable the MAT to recognise and reward staff appropriately for their contribution;
 - (e) help to ensure that decisions on pay are managed in a fair, just and transparent way;
 - (f) ensure that there is no pay discrimination in decision making and that decisions are based on evidence and can be justified.
- 1.4 Pay decisions at academies in the MAT are made by the Board of Directors/Local Governing Body, depending on the terms of the scheme of delegation, based on evidence, which will be linked to appraisal outcomes and other indicators.
- 1.5 This policy has been implemented following consultation with staff and the recognised trade unions. The Board of Directors adopted this policy on 5th December 2023.

2. Monitoring the impact of the policy

1. The Board of Directors will monitor the outcomes and impact of this policy on an annual basis, including trends in progression across specific groups of staff to assess its effect and the Trust's continued compliance with equalities legislation.

3. Review of policy

- 3.1 This policy is reviewed annually by the MAT in consultation with the recognised trade unions. The application and outcomes of this policy will be monitored to ensure it is working effectively.

SECTION B – DETERMINING TEACHERS' PAY

¹ Including the Employment Relations Act 1999, the Equality Act 2010, the Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000 and the Fixed-Term Employees (Prevention of Less Favourable Treatment) Regulations 2002.

1. Basic pay determination on appointment

- 1.1 The Board of Directors/Local Governing Body, depending on the scheme of delegation, will determine the pay range for a vacancy prior to advertising it. On appointment, it will determine the starting salary within that range to be offered to the successful candidate.
- 1.2 In making such determinations the Board of Directors/Local Governing Body may take into account a range of factors, including:
 - (a) the nature of the post;
 - (b) the level of qualifications, skills and experience required;
 - (c) market conditions;
 - (d) the wider Academy context and strategic priorities;
- 1.3 In the overwhelming majority of cases the principle of pay portability is applied when making new appointments. However, the Trust reserves the right to determine a pay band for initial appointment on the main pay scale when advertising a vacancy.
- 1.4 The payment of honoraria or bonuses to teachers is specifically forbidden under the terms of the STPCD.

2. Recruitment and Retention Payments – Classroom Teachers Only

- 2.1 Recruitment and retention payments may only be paid to classroom teachers paid on the MPR, UPR, UTR and Lead Practitioner Range and not to any other leadership posts. The Board of Directors/Local Governing Body of the Academy, depending on the scheme of delegation, may make payments or provide such other financial assistance, support or benefits to teachers that it considers necessary, as an incentive for the recruitment of new teachers and the retention of existing teachers. The Board of Directors/Local Governing Body of the Academy, depending on the scheme of delegation, will consider any such payments in the following circumstances: (not an exhaustive list)
 - a) For posts in known shortages subjects;
 - b) For posts which have previously been difficult to fill;
 - c) To retain existing staff where the Directors/Local Governing Body consider that the loss of the teacher would result in recruitment difficulties as set out in (a) and (b) above.
- 2.2 Where the Board of Directors/Local Governing Body of the Academy, depending on the scheme of delegation, agrees to make one or more such payments it will determine and set out in writing to the employee, the reason, the value, the fixed period for which it will be paid and the review date after which it may be withdrawn. The Board of Directors/Local Governing Body of the Academy, depending on the scheme of delegation, will ensure that the decision to award a payment is documented and will set a date to undertake the review.
- 2.3 The Board of Directors has determined it will pay recruitment and retention awards of between £1,000 and £5,000 per year for a maximum of 2 years. This timeframe will only be reviewed in exceptional circumstances to be agreed by the Board of Directors/Local Governing Body, depending on the scheme of delegation. The Board of Directors/Local Governing Body of the Academy, depending on the scheme of delegation, will annually review the payment of recruitment and retention payments.
- 2.4 All recruitment and retention considerations in respect of leadership posts will be taken into account when determining the respective salary range for the role. The Board of Directors/Local Governing

Body of the Academy, depending on the scheme of delegation, recognises that it may not make separate recruitment and retention payments to leadership post holders other than as reimbursement of reasonably incurred relocation costs as set out in the expenses policy.

3 Salary Sacrifice Schemes

- 3.1 The Board of Directors has agreed to provide all eligible employees access to the following salary sacrifice arrangements;
- a) Child care voucher scheme, or other child care benefit scheme;
 - b) Cycle to Work scheme
 - c) Electric Car scheme

4. Pay reviews

- 4.1 The Board of Directors/Local Governing Body, depending on the scheme of delegation, will ensure that each teacher's salary is reviewed annually by no later than 31 October each year or by no later than 31 December each year for principals/headteachers. Pay increases will be backdated to 1 September of the same academic year.
- 4.2 Salary will also be reviewed if a teacher takes up a new post with effect from the date the post commenced or in other circumstances as required, with effect from the relevant date.
- 4.3 All teachers will be notified in writing, within one month of a decision on pay, setting out their salary, any payments or other financial benefits awarded, any safeguarding, where a copy of the staffing structure and pay policy may be inspected and any other information required by STPCD.

5. Assessment of pay progression

- 5.1 In SNMAT all teachers will receive regular feedback on their performance and are subject to an annual performance appraisal. The arrangements for teacher appraisal are set out in the academy's Appraisal Policy.
- 5.2 In SNMAT, judgements of performance will be made in relation to appraisal outcomes, meeting objectives and, for teaching staff, the Teachers' Standards, using a fair and transparent assessment process.
- 5.3 The evidence used may include, but not be limited to appraisals, peer review, tracking pupil progress and lesson observations.
- 5.4 A written pay recommendation is required for every teacher following the outcome of the appraisal process.
- 5.5 Final confirmation regarding remuneration will be made by the Local Governing Body/Board of Directors (depending on the scheme of delegation) having regard to the appraisal report containing the pay recommendation by the principal/headteacher.
- 5.6 Additional progression may be considered in accordance with the criteria set out in this policy.
- 5.7 The Local Governing Body/Board of Directors may only withhold pay progression if a teacher is in capability proceedings.

- 5.8 Where teaching, progress or compliance with the Teachers' Standards is not meeting expectations the principal/headteacher will determine support and, if necessary, the SNMAT Coaching & Support Procedure will be used. If performance concerns arise during the appraisal cycle it is expected that these are made explicit to the individual concerned and what the consequences of this could be.
- 5.9 The Local Governing Body/Board of Directors, (depending on the scheme of delegation), will consider its approach in the light of the Academy's budget and ensure that appropriate funding is allocated for pay progression at all levels.
- 5.10 In the case of early career teachers (ECTs), the Local Governing Body/Board of Directors must determine the teacher's performance and any pay recommendation by means of the statutory induction process set out in the Education (Induction for early career teachers (England) - GOV.UK (www.gov.uk)). The relevant body must also ensure that ECTs are not negatively affected by the extension of the induction period from one to two years. This change does not prevent a school from awarding pay progression to ECTs at the end of the first year.

6. Main pay range for teachers

- 6.1 The main pay range within the MAT is from £31,650 - £43,607 per annum. Within this range this Trust has six reference points which are as follows:

Main Pay Range 1st September 2024		
Pay Range	Points	Annual salary
MPR	Min	1
		2
		3
		4
		5
	Max	6

Pay progression for main pay range teachers

- 6.2 Eligible main pay range teachers will automatically progress through the pay range each academic year and no application will be necessary until they reach point 6 in the pay range.
- 6.3 Additional progression within the main pay range may be considered for those teachers who, in the professional judgement of the principal/headteacher, can demonstrate and the Board of Directors/Local Governing Body, depending on the Scheme of delegation, is satisfied that there is evidence of:
- (a) Consistently "outstanding" teaching;
 - (b) Progress targets met or exceeded in the majority of groups or pupils;
 - (c) All objectives exceeded;
 - (d) Successful leadership of a whole school initiative where impact can be evidenced.
- 6.5 In cases where progression is not granted due to the Coaching & Support procedure being invoked, the teacher will receive confirmation of this, including the reasons and informing them of their right of appeal.

7. Upper pay range for teachers

- 7.1 The upper pay range within the MAT is from £45,646 - £49,084 per annum. Within this range the MAT has three reference points which are as follows:

Upper Pay Range 1 st September 2024		
Pay Range	Points	Annual salary
UPR	Min	1
		2
	Max	3
		£45,646
		£47,338
		£49,084

Application to be paid on the upper pay range

- 7.2 Any qualified teacher may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range.
- 7.3 Applications may be made once a year by no later than 31 October.
- 7.4 Applications should contain evidence from the last 2 years, should be made in writing using the form (Appendix 3) and be submitted to the principal/headteacher.
- 7.5 An application from a qualified teacher will be successful where the Local Governing Body/Board of Directors, depending on the scheme of delegation, is satisfied that:
- a) the teacher is highly competent in all elements of the relevant standards;
- And
- b) the teacher's achievements and contribution to the school are substantial and sustained.

For the purposes of this pay policy "substantial" is defined by the teacher having met the expectations set out in the Upper Pay Range Criteria (Appendix 1). "Sustained" is defined as having met these criteria at two successful and consecutive performance management/appraisal reviews.

- 7.6 The application will initially be assessed by the principal/headteacher who will moderate all applications. The principal/headteacher will then make recommendations to the Board of Directors/Local Governing Body, depending on the scheme of delegation, who will make the final decision.
- 7.7 The assessment will usually be made by 31 October.
- 7.8 If successful, applicants will move on to the upper pay range backdated to 1 September of that academic year.
- 7.9 Ordinarily a successful teacher will be placed on the bottom of the upper pay range. In exceptional circumstances, the principal/headteacher may recommend a higher salary based on:
- a) the nature of the post and the responsibilities it entails;
 - b) the level of qualifications, skills and experience of the teacher;
 - c) market forces.

- 7.10 If unsuccessful, feedback will be provided in writing by principal/headteacher along with confirmation of the process for appeals.
- 7.11 Where teachers wishing to be considered for UPR progression have been absent from school due to primary parent family leave or sickness consideration will be given to accepting late applications.

Pay progression for teachers within the upper pay range

- 7.12 Once a teacher has moved on to the upper pay range, if eligible they will be automatically considered for further progression no more than once every two years and no application will be necessary. However, pay progression within the range is not automatic and decisions regarding pay progression will be clearly attributable to the teacher's performance with reference to the appraisal process.
- 7.13 Upper pay range teachers will progress by one point, until they reach the top of the range, if they can demonstrate and the Board of Directors/Local Governing Body is satisfied that there is evidence from the required period of continuing to meet the criteria at 7.5.
- 7.14 Additional progression may be considered for upper pay range teachers where performance is judged to be exceptional taking into consideration the criteria at 7.5 and where all objectives have been exceeded.

8. Pay range for unqualified teachers

1. The unqualified teacher pay range within the MAT is from £21,731 - £33,902 per annum. Within this range this MAT has six reference points which are as follows:

Unqualified Teachers 1st September 2024		
Range	Points	Annual salary
UTR Min	1	£21,731
	2	£24,224
	3	£26,716
	4	£28,914
	5	£31,410
Max	6	£33,902

Pay progression for unqualified teachers

- 8.2 Eligible unqualified teachers will be automatically considered for further progression and no application will be necessary. While there is no requirement for unqualified teachers to be assessed against the Teachers' Standards these may be used as a baseline to assess their performance.
- 8.3 Judgements of performance will be made in relation to appraisal outcomes and meeting objectives. The minimum expectation to achieve pay progression is:
- All objectives met;
 - Consistently good teaching evidenced throughout the year;
 - Pupil progress targets achieved for all groups;
- 8.4 Additional progression will be considered for unqualified teachers who demonstrate:
- All objectives exceeded;

- b) Consistently outstanding teaching evidenced throughout the year;
- c) Progress targets exceeded in the majority of groups or pupils.

9. Pay ranges for leading practitioner posts

- 9.1 Leading practitioner posts have the primary purpose of modelling and leading improvement of teaching skills. Within SNMAT, they will take a leadership role in developing, implementing, and evaluating policies and practice in their workplace that contributes to academy improvement. To be appointed to a leading practitioner role, the teacher must:
- (a) be an exemplar of outstanding teaching skills,
 - (b) lead the improvement of teaching skills in the academy
 - (c) carry out the professional responsibilities of a teacher other than a principal/headteacher, including those responsibilities delegated by the principal/headteacher.
- 9.2 The pay range for these posts will be determined individually for each leading practitioner post, which may reflect the different demands and challenges of that post. Each individual pay range will be determined within the overall minimum and maximum of the pay range set by STPCD. Within this range the Trust has reference points which are as follows:

	Lead Practitioners 1st September 2024
--	---

LPR	Min	LP1	£50,025
		LP2	£51,278

	Max	LP18	£76,049

Pay progression for leading practitioners

- 9.3 Eligible leading practitioners will be automatically considered for further progression and no application will be necessary.
- 9.4 Leading practitioners will progress by one point until they reach the top of their range, if they can demonstrate and the Board of Directors/Local Governing Body, depending on the scheme of delegation, is satisfied that they continue to effectively carry out the purpose of the role as set out at 7.1 and there is evidence of:
- Consistently outstanding teaching;
 - Coaching and supporting colleagues to achieve improved student outcomes;
 - Acting as a role model for Teaching & Learning;
 - A commitment to personal development and CPD focused on improving outcomes for students;
 - High competence in all areas of the Teachers' Standards.
- 9.5 Additional progression may be considered for leading practitioners where performance is judged to be exceptional taking in to account the criteria at 9.4 and where all objectives have been exceeded.

10. Pay ranges for members of the leadership group

- 10.1 Pay ranges for principal/headteachers, vice principal/ deputy headteachers and assistant principal/headteachers will be determined in line with STPCD for new appointments, where responsibilities significantly change or if the MAT chooses to review pay of leadership posts in line

with STPCD. The pay range will take into account all permanent responsibilities of the role, any challenges that are specific to the role and all other relevant considerations including the skills and competencies required. Pay ranges will allow appropriate scope for performance related progression over time.

Principal/headteachers

- 10.2 The academy will be assigned to a principal/headteacher group calculated using its total unit score, in accordance with STPCD.
- 10.3 A pay range will be determined for the principal/headteacher which will not normally exceed the maximum of the principal/headteacher group, unless the specific exceptional circumstances or candidate warrant it, up to an additional 25%. In such cases the local governing body will present a business case recommending this to the Board of Directors who will seek external independent advice.
- 10.4 Additional payments may be made to a principal/headteacher for temporary responsibilities that are in addition to the duties taken into account for the determination at 10.1-10.3. The total sum of any temporary payments will not normally exceed 25% of the principal/headteacher's annual salary. Discretionary payments to the principal/headteacher will be determined in accordance with the provisions of the STPCD and will be reviewed annually.
- 10.5 In addition, the total sum of annual salary combined with any temporary payments (where applicable) will not exceed the maximum of the principal/headteacher group, calculated at 10.2, by more than 25%. Where this, or exceeding the limits set out at 10.3 and 10.4 are being considered by the Local Governing Body there must be wholly exceptional circumstances and that committee must make a business case to the full Board of Directors who will seek external independent advice.
- 10.6 Where any teacher is required to act as principal/headteacher, deputy principal/headteacher or assistant principal/headteacher for a period in excess of four weeks, s/he will receive an additional allowance in order that the total pay received is equal to that of the substantive post holder.
- 10.7 Payments will be backdated to the day on which the teacher assumed those duties. No pressure, direct or indirect, will be placed on teachers to act up where such acting up is voluntary on their part.

Vice principal/deputy headteachers and assistant principal/headteachers

- 10.8 A pay range will be determined for any vice principal/deputy headteacher and assistant principal/headteacher, considering how the role fits within the wider leadership structure of the academy. The pay range will not exceed the maximum of the principal/headteacher group for the school and will not normally overlap with the pay range of the principal/headteacher, except in exceptional circumstances.

Pay progression for members of the leadership group

- 10.9 The Diocese of Southwell and Nottingham MAT has specified reference points on the leadership scale within each of the principal/headteacher group ranges which are as shown on page 13 and 14.
- 10.10 Eligible members of the leadership group will be automatically considered for further progression and no application will be necessary.
- 10.11 Leadership group members will progress by one point until they reach the top of their range if they can demonstrate, and the Board of Directors/Local Governing Body, depending on the scheme of delegation, is satisfied that there is evidence of, sustained high quality of performance in academy leadership and management and pupil progress, clearly linked to school improvement priorities and outcomes. The group size for this academy is [number to be inserted for specific academy].

- 10.12 Additional progression may be considered for members of the leadership group where performance is judged to be exceptional taking in to account the criteria at 10.8 and where all objectives have been exceeded.

11. Teaching and Learning Responsibility (TLR) payments

11.1 In the Trust a TLR1 or TLR2 is paid to a classroom teacher for undertaking a sustained additional responsibility in the context of the Academy's staffing structure for the purpose of ensuring the continued delivery of high quality teaching and learning and for which the teacher is made accountable. The award is made whilst the teacher remains in the same post or occupies another post in the absence of a post-holder.

11.2 Current values are as follows in accordance with the staffing structure:

TLR1 £9,782 - £16,553 per annum

TLR2 £3,391 - £8,279 per annum

11.3 Before awarding a TLR1 or TLR2 payment the academy must be satisfied that the teacher's duties will include a significant responsibility that is not required of all classroom teachers and that:

- Is focussed on teaching and learning;
- Requires the exercise of a teacher's professional skills and judgment;
- Requires the teacher to lead, manage and develop a subject or curriculum area, or to lead and manage pupil development across the curriculum;
- Has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils and
- Involves leading, developing and enhancing the teaching practice of other staff.

In addition, before awarding a TLR1, the school must be satisfied that the significant responsibility referred to above includes line management responsibility for a significant number of people.

11.4 Teachers will not be expected to undertake permanent additional responsibilities without payment of a permanent TLR1 or TLR2 payment.

11.5 In addition the Academy may award a fixed-term TLR3 to a classroom teacher for time-limited, clearly defined school improvement projects, or one-off externally driven responsibilities. The annual value of a TLR3 will be no less than £675 and no greater than £3,344.

12. Special Educational Needs (SEN) allowances

12.1 A SEN allowance will be paid to classroom teachers who meet the criteria set out in the STPCD. Where a SEN allowance is to be paid, the spot value of between £2,679 and £5,285 will be determined based on the structure of the SEN provision, whether mandatory qualifications are required for the post, the qualifications or expertise of the teacher and the relative demands of the post.

13. Early Career Teachers (ECTs)

13.1 In the case of ECTs pay decisions will be made by means of the statutory induction process.

14. Part time teachers

- 14.1 Teachers who work less than a standard working week are deemed to be part time. Their hours and working time obligations will be set out in their contracts of employment and in line with the provisions of STPCD. The pay of part time teachers will be determined in the same way as full time teachers and any increase in pay will be paid pro rata to full time equivalent salary rates.

15. Short notice/supply teachers

- 15.1 Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata. They will be paid the agreed rate for the job and are not subject to the appraisal process.

16. Pay protection

- 16.1 Pay protection arising from changes to pay and structure will be in line with the provisions of STPCD.

17. Absence and pay progression

- 17.1 Employees who are absent long term (including but not limited to maternity leave and long term sick leave due to a disability) are still eligible to be considered for pay progression.
- 17.2 The Trust will take into account the criteria set out in this policy, but use the period of time prior to the employee commencing their period of absence. In most cases this will be the preceding year or two years for progression on to the upper pay range. If there is sufficient time for assessment in the current cycle, that period may also be considered.

18. Appeals

- 18.1 The steps of the pay appeals process (Appendix 4) perform the function of the grievance procedure on pay matters and so employees will not be able to raise the complaint under the academy grievance procedure following conclusion of a pay appeal.
- 18.2 Employees may be represented by a recognised trade union or colleague at any formal stage of this procedure. The employee is responsible for making these arrangements and for providing their representative with any paperwork they require for the hearing. The teacher should inform the chair of the appeals panel who their chosen companion is, in good time before the hearing.

Stage One - Informal discussion

- 18.3 As part of the normal salary review process, the principal/headteacher will inform the teacher of the pay decision. Upon receipt of written notification of the pay decision, if the teacher is dissatisfied they should first discuss the decision with the principal/headteacher within 5 working days of receipt of the notification.

- 18.4 This discussion gives an opportunity for a teacher to discuss the decision on their pay, to gain an understanding of why the pay recommendation and decision were made and to resolve issues quickly and informally. If this does not resolve an issue, a teacher may follow the formal procedure set out below.

Stage Two – Formal Hearing

- 18.5 If, following discussion with the principal/headteacher, the teacher remains dissatisfied, they can make a formal appeal in writing within 5 working days of the discussion with the headteacher to the committee who made the decision. The possible grounds for appeal are:

- a) incorrectly applied any provision of the STPCD;
- b) failed to have proper regard for statutory guidance;
- c) failed to take proper account of relevant evidence;
- d) took account of irrelevant or inaccurate evidence;
- e) was biased; or
- f) unlawfully discriminated against the teacher.

- 18.6 Appeals against pay decisions should be made in writing and addressed to the Chair of the Board of Directors/Local Governing Body, depending on the scheme of delegation, stating the grounds of their appeal in accordance with 18.5 above.

- 18.7 The panel who made the decision (or a representative from) will convene a meeting to consider the appeal as soon as is practically possible. The employee will be invited in writing, giving a minimum of 5 days' notice and copies of any relevant documents to be considered at the meeting will be enclosed.

- 18.8 The teacher will have the opportunity to make representations to the panel or their representative and a school representative will also attend to present the management case. A note taker will also be present.

- 18.9 The panel or their representative will review their decision and will confirm the outcome in writing to the teacher within 5 days.

Stage Three - Formal Appeal

- 18.10 If a teacher wishes to appeal against the decision made at Stage One, they may do within 5 working days of the written decision on the grounds that the committee who made the decision:

- a) incorrectly applied any provision of the STPCD;
- b) failed to have proper regard for statutory guidance;
- c) failed to take proper account of relevant evidence;
- d) took account of irrelevant or inaccurate evidence;
- e) was biased; or
- f) unlawfully discriminated against the teacher.

- 18.11 Appeals against the decision at Stage One should be made in writing and addressed to the Appeals Committee of the Board of Directors/Local Governing Body, depending on the scheme of delegation, stating the grounds of their appeal in accordance with 16.10 above.
- 18.12 Upon receipt an appeals panel of three different Directors/Governors who have not been involved in the original decision will convene a meeting to consider the appeal as soon as is practicably possible. The employee will be invited in writing, giving a minimum of 5 days' notice and copies of any relevant documents to be considered at the hearing will be enclosed.
- 18.13 The teacher will have the opportunity to make representations to the appeals panel and a representative of the original decision making panel will also attend. A note taker will also be present.
- 18.14 The decision of the panel will be confirmed in writing to the teacher within 5 days. The appeal panel's decision is final; there is no further right of appeal.

SECTION C – DETERMINING SUPPORT STAFF PAY

1. Pay reviews

- 1.1 The Board of Directors/Local Governing Body, depending on the scheme of delegation, will ensure that each member of support staff's salary is reviewed annually with effect from 1 April if eligible.

2. Salary scales

- 2.1 The salary scales used will be in accordance with the Green Book and Nottinghamshire County Council pay scales. Trust centrally appointed staff may be paid at a spot rate where the Board of Directors deems this to be appropriate to the role.
- 2.2 Where nationally negotiated increases for cost of living allowances are delayed these will be backdated to 1 April of the previous year for those staff still in the employment of the Trust. Backdated pay increases will be paid to eligible staff who have left the employment of the Trust on written application within 3 months of leaving.

3. Job descriptions

- 3.1 The principal/headteacher in conjunction with the line manager of the role will ensure that an up to date job description is available for each post, which identifies the appropriate duties.
- 3.2 Job descriptions will be reviewed as appropriate or when duties or responsibilities have changed and will be amended to reflect current roles. It should be recognised that job descriptions are not intended to list all tasks involved in a job role but rather the level of responsibility, creativity and discretion that the post holder is expected to take. An employee may request changes to their job description if they feel their duties or responsibilities have changed significantly. If appropriate, consideration may be given to whether the grade for the post should be re-determined by comparing the requirements of the role against those of others undertaking similar duties within the Diocese of Southwell and Nottingham MAT. If it is, the post holder will be paid the new grade from a date determined by the principal/ headteacher. If the assessment results in a lower grade, the employee may be entitled to salary protection in accordance with their terms and conditions of employment.

4. Basic pay determination on appointment

- 4.1 The Academy (Board of Directors for Trust centrally appointed staff) will determine the grade for a vacancy prior to advertising, which will be identified on the job description, in accordance with the Trust's Recruitment, Selection and Appointment procedures. On appointment the principal/headteacher, in consultation with the Trust Business Director, will determine the appropriate point within the grade to be offered to the successful candidate (which will usually be the bottom point of the grade). However, this may take in to account a range of factors, including:
 - a) the nature of the post;
 - b) the level of qualifications, skills and experience required;

- c) market conditions;
- d) the wider Trust context and strategic priorities.

5. Incremental progression

- 5.1 If the employee has more than 6 months' service in their role at 1 April, they are eligible for an increment subject to satisfactory service. This will be paid annually with effect from 1 April until the employee reaches the top of their grade.
- 5.2 If the employee has less than 6 months' service in their role at 1 April, the first increment will not be paid until six months after their appointment subject to satisfactory service. Subsequent increments will be payable on 1 April in line with paragraph 5.1 of this policy.
- 5.3 Support staff will normally receive an annual increment on 1 April each year, until they reach the maximum of the Grade. Withholding of increments will only be considered by the Board of Directors/Local Governing Body, depending on the scheme of delegation, where the employee is experiencing performance difficulties and is being monitored within the Capability Procedure.

6. Pay protection

- 6.1 Pay protection arising from changes to pay and structure will be in place for 2 years.

7. Honoraria

- 7.1 An honorarium may be paid on a temporary basis where an employee is offered and agrees to:
 - undertake higher level work in addition to their normal duties;
 - 'act up' for at least four weeks in to a higher graded post which has become temporarily vacant, for example, due to sick leave.
- 7.2 The principal/headteacher will determine the amount of this payment. Where the employee is undertaking higher level work not equivalent to a higher graded post, a fixed sum will be agreed. Where the employee is acting up and carrying out the full responsibilities of the role, the payment will usually be the difference between the minimum point of the higher graded role and their current salary.
- 7.3 The employee will return to their substantive post and salary when they are no longer required to undertake the higher level work or 'act up'.
- 7.4 This should usually only be a temporary solution and the principal/headteacher should consider whether it may be more appropriate to advertise the post or duties on a fixed term basis.

8. Appeals

- 8.1 A member of support staff has the right to appeal against a decision that affects their pay. The principles of the appeals process for teachers apply (set out in Section B, paragraph 18) however; the Green Book replaces STPCD at 18.5(a) and 18.10(a).

SECTION D – DETERMINING EXECUTIVE PAY

Executive Pay

In this Trust, the members of the Executive Team paid on spot rates consist of the Chief Executive Officer, the Academy Improvement Director and the Business Director. The Trust Operations Director is paid in accordance with the support staff pay and conditions above.

When setting pay and terms and conditions for the Executive team, the Board of Directors' Remuneration Committee will take into consideration the following documents and use them for reference purposes:

- School Teachers Pay and Conditions (STPCD)
- Academy Trust Handbook and any relevant Education and Skills Funding Agency guidance
- 'Green and Burgundy Books'

For those posts where the salary arrangements are likely to fall outside the scope of STPCD the Remuneration Committee will also give consideration to external pay benchmarking, market analysis and Trust performance (both educational and financial). Pay arrangements that fall outside of STPCD will be approved by the Board of Directors' Remuneration Committee and ratified by the full Board of Directors and include justification for the level of remuneration.

Pay for Executives will be reviewed on an annual basis and the pay review will be completed by 31 October. Any pay increase will be based on performance taking account of the parameters of public sector pay increases as they apply to the education sector. The Board of Directors' Remuneration Committee will meet annually to determine the executive pay and to ensure that pay increases are proportionate, reflect good value for money and are defensible relative to the public sector.

All Executives are given challenging performance management objectives and these are managed and assessed under the Trust's appraisal policy. The objectives for the Academy Improvement Director and Business Director are set by the CEO and the objectives for the CEO are set by the Chair of the Board of Directors. No increases will be awarded without supporting data demonstrating the required performance and evidence based on a constant drive for improvement.

In determining starting salaries or increases for Executives, the Board considers the following and includes such information in the justification:

- Level of educational challenge to the Trust
- Level of financial challenge to the Trust (including any financial constraints)
- Level of geographic challenge to the Trust
- External pay reports and evaluation
- Any relevant contractual changes to protect the Trust – extending notice periods, restrictive covenants etc
- Media/ESFA and parental scrutiny

Where Executives are not meeting expectations the CEO will determine support and, if necessary, initiate the Capability Procedure. Where the CEO is not meeting expectations the Board of Directors' Remunerations Committee will determine

support and, if necessary initiate the Capability Procedure. Where the support put in place has not sufficiently addressed the underperformance there would be no pay progression during that year. If performance concerns arise during the appraisal cycle it is expected that these are made explicit to the individual concerned and what the consequences of this could be.

A member of executive staff has the right to appeal against a decision that affects their pay. The principles of the appeals process for teachers apply as set out in Appendix 4.

Appendix 1

Performance Related Pay Progression Guidance

This guidance should be applied in conjunction with the Appraisal Policy and Guidance

This guidance is intended to enable academies to;

- Meet the requirements of the School Teachers Pay and Conditions Document (STPCD) 2019
- Ensure that teachers are clear about the criteria they are required to meet to be considered for annual pay progression
- Determine whether a teacher is working to the required standard for pay progression
- Reward effective practice.

This guidance provides;

- Impact criteria to be used as guidance to support the implementation of the appraisal process, taking into account the academy's context to judge the degree of impact of meeting teacher standards. Academy's, whilst adopting the overall approach of this guidance, may therefore wish to agree the particular application of specific criteria in their context (e.g. to take account of the effects of small cohort/class size or stage of development of pupils)
- The relevant references from current (as of September 2019) Ofsted framework, handbook and subsidiary guidance for inspectors.

This guidance is based on the following key principles, that;

- Appraisal is in place, including arrangements to take account of absence, planned or otherwise, of either the appraiser or appraisee
- To qualify for consideration of pay progression, the teacher must have completed 26 weeks of reckonable service in the preceding academic year
- All teachers are given a copy of this document at the start of the appraisal cycle or on appointment to the school
- The criteria provide guidance to support an on-going professional dialogue within appraisal about the impact of a teacher's work
- For all bands in teacher standard 2, the impact criteria set should be school specific, related to the context of the cohort and any groups. Targets should be challenging and include percentages of children making better than expected progress.
- Criteria for pay point 2 reflects the minimum expectation of teaching impact required to be considered for pay progression for the first time after completing the NQT induction year
- Criteria for pay points 5-7 reflect the professional competencies required of teachers preparing to move to the Upper Pay Range
- Application of the teachers' standards impact criteria must be non-discriminatory and be monitored
- There is an expectation that all teachers, supported by the appraisal process, will continue to improve their effectiveness and progress annually towards point 7 of the MPR (bi annually for UPR)
- When advertising vacancies, academies may determine a pay band for initial appointment on the MPR as set out in the Pay Policy
- To be considered for pay progression, an NQT will not, unless under exceptional circumstances, have been subject to a personalised support plan during the induction year

- To be considered for pay progression, a teacher's effectiveness will be such that they have not, unless under exceptional circumstances, have been subject to a formal support plan within appraisal or capability procedures during the current appraisal cycle.
- Recommendation for progression within or between pay bands (including Pay Band D – UPR) will take place in line with sections 4 and 5.
- Appraisal will support teachers to effectively address any concerns about their performance with additional targeted support where necessary
- A teacher may be considered for fast track pay progression to the next pay band where this is agreed at the start of the appraisal cycle and where the appropriate criteria as set out in paragraph 4.4 are met.
- The criteria for impact of teachers' standards provide guidance for establishing appraisal objectives.

The following criteria should be applied within the context of the school (e.g. the effect of small cohort/class sizes or the stage of development of pupils)

Extracts from Ofsted Inspection Handbook (September 2015 update)

Grade descriptors for the effectiveness of leadership and management

Note: Grade descriptors are not a checklist. Inspectors adopt a 'best fit' approach that relies on the professional judgement of the inspection team.

Outstanding (1)

- Leaders and governors have created a culture that enables pupils and staff to excel. They are committed unwaveringly to setting high expectations for the conduct of pupils and staff. Relationships between staff and pupils are exemplary.
- Leaders and governors focus on consistently improving outcomes for all pupils, but especially for disadvantaged pupils. They are uncompromising in their ambition.
- The school's actions have secured substantial improvement in progress for disadvantaged pupils. Progress is rising across the curriculum, including in English and mathematics.
- Governors systematically challenge senior leaders so that the effective deployment of staff and resources, including the pupil premium, the primary PE and sport premium and SEN funding, secures excellent outcomes for pupils. Governors do not shy away from challenging leaders about variations in outcomes for pupil groups, especially between disadvantaged and other pupils.
- Leaders and governors have a deep, accurate understanding of the school's effectiveness informed by the views of pupils, parents and staff. They use this to keep the school improving by focusing on the impact of their actions in key areas.
- Leaders and governors use incisive performance management that leads to professional development that encourages, challenges and supports teachers' improvement. Teaching is highly effective across the school.
- Staff reflect on and debate the way they teach. They feel deeply involved in their own professional development. Leaders have created a climate in which teachers are motivated and trusted to take risks and innovate in ways that are right for their pupils.
- The broad and balanced curriculum inspires pupils to learn. The range of subjects and courses helps pupils acquire knowledge, understanding and skills in all aspects of their education, including the humanities and linguistic, mathematical, scientific, technical, social, physical and artistic learning.
- Pupils' spiritual, moral, social and cultural development and, within this, the promotion of fundamental British values, are at the heart of the school's work.
- Leaders promote equality of opportunity and diversity exceptionally well, for pupils and staff, so that the ethos and culture of the whole school prevents any form of direct or indirect discriminatory behaviour. Leaders, staff and pupils do not tolerate prejudiced behaviour.
- Safeguarding is effective. Leaders and managers have created a culture of vigilance where pupils' welfare is actively promoted. Pupils are listened to and feel safe. Staff are trained to identify when a pupil may be at risk of neglect, abuse or exploitation and they report their concerns. Leaders and staff work effectively with external partners to support pupils who are at risk or who are the subject of a multi-agency plan.
- Leaders' work to protect pupils from radicalisation and extremism is exemplary. Leaders respond swiftly where pupils are vulnerable to these issues. High quality training develops staff's vigilance, confidence and competency to challenge pupils' views and encourage debate.

Good (2)

- Leaders set high expectations of pupils and staff. They lead by example to create a culture of respect and tolerance. The positive relationships between leaders, staff and pupils support the progress of all pupils at the school.
- Leaders and governors are ambitious for all pupils and promote improvement effectively. The school's actions secure improvement in disadvantaged pupils' progress, which is rising, including in English and mathematics.
- Leaders and governors have an accurate and comprehensive understanding of the quality of education at the school. This helps them plan, monitor and refine actions to improve all key aspects of the school's work.
- Leaders and governors use performance management effectively to improve teaching. They use accurate monitoring to identify and spread good practice across the school.
- Teachers value the continuing professional development provided by the school. It is having a positive impact on their teaching and pupils' learning. Teaching is consistently strong across the school or, where it is not, it is improving rapidly.
- Governors hold senior leaders stringently to account for all aspects of the school's performance, including the use of pupil premium, the primary PE and sport premium and SEN funding, ensuring that the skilful deployment of staff and resources delivers good or improving outcomes for pupils.
- The broad and balanced curriculum provides a wide range of opportunities for pupils to learn. The range of subjects and courses helps pupils acquire knowledge, understanding and skills in all aspects of their education, including the humanities and linguistic, mathematical, scientific, technical, social, physical and artistic learning. This supports pupils' good progress. The curriculum also contributes well to pupils' behaviour and welfare, including their physical, mental and personal well-being, safety and spiritual, moral, social and cultural development.
- Leaders consistently promote fundamental British values and pupils' spiritual, moral, social and cultural development.
- Leaders promote equality of opportunity and diversity, resulting in a positive school culture. Staff and pupils work together to prevent any form of direct or indirect discriminatory behaviour. Leaders, staff and pupils do not tolerate prejudiced behaviour.
- Safeguarding is effective. Leaders and staff take appropriate action to identify pupils who may be at risk of neglect, abuse or sexual exploitation, reporting concerns and supporting the needs of those pupils.
- Leaders protect pupils from radicalisation and extremism. Staff are trained and are increasingly vigilant, confident and competent to encourage open discussion with pupils.

Requires improvement (3)

- Leadership and management are not yet good.
- Safeguarding is effective.

Inadequate (4)

Leadership and management are likely to be inadequate if one or more of the following applies.

- Capacity for securing further improvement is poor and the improvements leaders and governors have made are unsustainable, have been implemented too slowly or are overly dependent on external support.
- Leaders are not doing enough to tackle poor teaching, learning and assessment, which significantly impairs the progress of pupils, especially those who are disadvantaged, disabled or have special educational needs.
- Leaders are not aware of, or are not taking effective action to stem, the decline in the progress of disadvantaged pupils.
- The unbalanced and poorly taught curriculum fails to meet the needs of pupils or particular groups of pupils.

- The range of subjects is narrow and does not prepare pupils for the opportunities, responsibilities and experiences of life in modern Britain.
- Leaders are not taking effective steps to secure good behaviour from pupils and a consistent approach to discipline.
- Leaders and governors, through their words, actions or influence, directly and/or indirectly, undermine or fail to promote equality of opportunity. They do not prevent discriminatory behaviour and prejudiced actions and views.
- Safeguarding is ineffective. The school's arrangements for safeguarding pupils do not meet statutory requirements, or they give serious cause for concern or insufficient action is taken to remedy weaknesses following a serious incident.
- Leaders and governors are not protecting pupils from radicalisation and extremist views when pupils are vulnerable to these. Policy and practice are poor, which means pupils are at risk.

Appendix 2

Headteachers' Standards 2020

Introduction

Headteachers are leading professionals and role models for the communities they serve. Their leadership is a significant factor in ensuring high quality teaching and achievement in schools¹ and a positive and enriching experience of education for pupils². Together with those responsible for governance³, they are custodians of the nation's schools. Parents⁴ and the wider public rightly hold high expectations of headteachers, given their influential position leading the teaching profession and on the young people who are their responsibility. The headteachers' standards set out how headteachers meet these high expectations. The standards are an important benchmark not only for headteachers and those who hold headteachers to account, but also for those who train and develop school leaders.

These standards replace the national standards of excellence for headteachers 2015. They are non-statutory and intended as guidance to be interpreted in the context of each individual headteacher and school. They are designed to be relevant to all headteachers.

The standards can be used to:

- shape headteachers' own practice and professional development, within and beyond the school
- support the recruitment and appointment of headteachers, including the development of job descriptions and person specifications
- underpin frameworks for the training of school leaders, including current and aspiring headteachers
- inform the performance management of headteachers

Relationship to the teachers' standards

The [teachers' standards](#) (2011, as amended), including the personal and professional code of conduct which applies to teachers, provide a foundation upon which the standards for headteachers are built.

Headteachers, like other teachers, are expected to meet the teachers' standards. The headteachers' standards articulate how headteachers can meet both the additional responsibilities of headship and the requirements of the teachers' standards.

The first section of the headteachers' standards outlines the ethics and professional conduct expected of headteachers. This is developed from part 2 of the teachers' standards. As such, they consist of statements that define the behaviour and attitudes which should be expected of headteachers.

The second section sets out 10 headteachers' standards. The first 6 standards build on the teachers' standards, whereas the other 4 standards focus on leadership responsibilities specific to headteachers. There is no hierarchy to the standards; the numbering below is only to aid identification.

1. School culture (builds on teachers' standard 1)
2. Teaching (builds on teachers' standards 2 and 4)
3. Curriculum and assessment (builds on teachers' standards 3 and 6)
4. Behaviour (builds on teachers' standard 7)

5. Additional and special educational needs (builds on teachers' standard 5)
6. Professional development (some match to teachers' standard 4)
7. Organisational management
8. School improvement
9. Working in partnership
10. Governance and accountability

Domains

The ethics and professional conduct section is at the core of the standards. This outlines the ethics and professional conduct expected of headteachers. It consists of statements that define the behaviour and attitudes which should be expected of headteachers.

The standards in section 2 cover interlinked domains of the headteacher's role all underpinned by the governance and accountability domain.

Culture and ethos

- school culture
- behaviour
- professional development

Curriculum and teaching

- teaching
- curriculum and assessment
- additional and special educational needs

Organisational effectiveness

- organisational management
- school improvement
- working in partnership⁵

Section 1: Ethics and professional conduct

Headteachers are expected to demonstrate consistently high standards of principled and professional conduct. They are expected to meet the teachers' standards and be responsible for providing the conditions in which teachers can fulfil them.

Headteachers uphold and demonstrate the [Seven Principles of Public Life](#) at all times.

Known as the Nolan principles, these form the basis of the ethical standards expected of public office holders:

- selflessness
- integrity
- objectivity
- accountability
- openness
- honesty
- leadership

Headteachers uphold public trust in school leadership and maintain high standards of ethics and behaviour. Both within and outside school, headteachers:

- build relationships rooted in mutual respect, and at all times observe proper boundaries appropriate to their professional position
- show tolerance of and respect for the rights of others, recognising differences and respecting cultural diversity within contemporary Britain
- uphold fundamental British values⁶, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
- ensure that personal beliefs are not expressed in ways which exploit their position, pupils' vulnerability or might lead pupils to break the law

As leaders of their school community and profession, headteachers:

- serve in the best interests of the school's pupils
- conduct themselves in a manner compatible with their influential position in society by behaving ethically, fulfilling their professional responsibilities and modelling the behaviour of a good citizen⁷
- uphold their obligation to give account and accept responsibility
- know, understand, and act within the statutory frameworks which set out their professional duties and responsibilities
- take responsibility for their own continued professional development, engaging critically with educational research
- make a positive contribution to the wider education system

Section 2: Headteachers' standards

1. School culture

Headteachers:

- establish and sustain the school's ethos and strategic direction in partnership with those responsible for governance and through consultation with the school community
- create a culture where pupils experience a positive and enriching school life
- uphold ambitious educational standards which prepare pupils from all backgrounds for their next phase of education and life
- promote positive and respectful relationships across the school community and a safe, orderly and inclusive environment
- ensure a culture of high staff professionalism

2. Teaching

Headteachers:

- establish and sustain high-quality, expert teaching across all subjects and phases, built on an evidence-informed understanding of effective teaching and how pupils learn
- ensure teaching is underpinned by high levels of subject expertise and approaches which respect the distinct nature of subject disciplines or specialist domains
- ensure effective use is made of formative assessment

3. Curriculum and assessment

Headteachers:

How the standards apply to different leadership roles

The headteacher's standards cover the full breadth of leadership responsibilities within a single school. For most headteachers in maintained schools or academies in single academy trusts this means that all of the standards should be relevant to them, though it is anticipated that they will meet some standards through the successful leadership and management of teams and individuals within their schools.

There can be a range of job roles and titles for those leading individual schools, particularly where a school is working within a group, such as in a multi-academy trust. Job roles and titles are various, including Head of School, and Associate Head, as are the governance arrangements to which headteachers are accountable. In some settings headteachers are responsible for leading more than one school. There are also instances of shared headship through co-headship or job-shares. Employers¹², in such instances, will therefore want to decide which standards are applicable to roles in these contexts.

Appendix 4– Pay Appeals Procedure

1 Any member of staff may appeal against any determination in relation to his/her pay or any other decision taken by the head teacher/Chair of Pay Committee or Chair of the Local Governing Body/Board of Directors (in the case of the head teacher) that affects his/her pay. Where there is an appeal against withholding salary progression the appeals process will take place before the final pay recommendations are approved by the academy pay committee. Members of the Local Governing Body/Board of Directors will participate in the process depending on the scheme of delegation of the individual academy.

2 This document provides guidance on each stage and in line with good employment practice the Pay Appeal Procedure has three stages:

- Stage One – Informal;
- Stage Two – Formal Hearing;
- Stage Three – Formal Appeal.

The head teacher should inform the Chair of the Local Governing Body/CEO of the MAT where a pay appeal is submitted.

3 The grounds for appeals are that the headteacher/Chair of Committee or Chair of Local Governing Body/Board of Directors (in the case of the head teacher) who made the recommendation / decision;

- a) Incorrectly applied any provision of the STPCD/NJC Conditions of Service;
- b) Failed to have proper regard for statutory guidance;
- c) Failed to take proper account of relevant evidence;
- d) Took account of irrelevant or inaccurate evidence;
- e) Was biased; or
- f) Otherwise unlawfully discriminated against the member of staff.

4 The stages are as follows:

Stage One – Informal

- a) At the appraisal review meeting, the appraiser/headteacher (where the headteacher is the appraiser) will make a recommendation on pay to the employee, supported by the relevant evidence;
- b) The headteacher provides the employee with written confirmation of the pay recommendation, as contained within the appraisal statement providing the basis on which the recommendation is made;
- c) If the member of staff is not satisfied with the recommendation he/she should seek to resolve this matter informally, initially with the head teacher and/or in the case of the head teacher, with the chair of the Pay Committee or Chair of Local Governing Body, within five working days of the employee being notified of the recommendation;
- d) Where an informal resolution is not possible with the person making the pay recommendation and where the member of staff believes that an incorrect recommendation has been made he/she may follow a Stage 2 formal appeals process in line with the grounds of appeal set out in paragraph 3.

Stage Two – Formal Hearing

- a) To commence the formal appeal against the pay recommendation / decision the employee should submit a formal written statement to the person making the pay recommendation i.e. the headteacher (or in the case of the headteacher to the chair of the pay committee/chair of the Local Governing Body/Board of Directors) within 5 working days of the outcome of the informal discussion. The written appeal from the teacher / headteacher must re-affirm the grounds of the appeal and the remedy sought;
- b) On receipt of the written appeal notification setting out the grounds of the appeal, the head teacher will offer the member of staff a date for formal hearing normally within 15 working days of the Stage One meeting. The hearing will be with the person making the pay recommendation. The letter inviting the employee to the hearing, including the papers relevant to the pay appeal should be sent out five working days in advance of the meeting;
- c) The employee should be provided with the opportunity to send any written submission of evidence to the headteacher/Chair of Pay Committee or Chair of Local Governing Body/Board of Directors (in the case of the headteacher) prior to the hearing. This information should be sent to the head teacher in advance of the meeting so that any additional evidence/ papers can be circulated to the members of the governors'/directors' panel and to the HR Advisor.
- d) The date of the Pay Hearing should always be determined in consultation with the school's HR Advisor to ensure that an appropriate officer is available to attend and advise the panel on any procedural aspects or matters of employment law. It is the responsibility of the employee to ensure that a trade union representative or work colleague is available to attend.
- e) The hearing will provide an opportunity for the employee to make representations in person, to present evidence, to call witnesses, to have the opportunity to ask questions and to be accompanied by their trade union representative or work colleague;
- f) The head teacher/or in the case of the headteacher the chair of pay committee or chair of Local Governing Body/Board of Directors will consider the evidence presented and make a pay decision. It is the headteacher's duty to consider the advice given by the HR Advisor attending on behalf of the academy and the MAT.
- g) The outcome will be confirmed to the employee in writing along with the rationale for the decision within three working days of the hearing and where appropriate the right of appeal to a panel of governors.

Stage Three – Formal Appeal

- a) Where the member of staff continues to be dissatisfied, and believes that an incorrect decision has been made in line with the grounds of appeal set out in paragraph 3, he/she may follow a Stage 3 Formal Appeals process.
- b) To commence the formal appeal against the pay decision the employee should submit a formal written statement (Appendix 4a Pay Appeal Pro forma) to the headteacher/ Chair of committee or Chair of Local Governing Body/Board of Directors(in the case of the headteacher) within five working days of receipt of the Stage Two outcome letter. The written appeal from the teacher/headteacher must re-affirm the grounds of the appeal, the remedy sought and include any additional evidence/papers which the employee wishes to be considered as part of the pay appeal;
- c) The member of staff will normally be offered a formal appeal hearing within 15 working days of the receipt of the written appeal notification, or as soon as possible thereafter with the agreement of all parties. The letter inviting the employee to the Pay Appeal hearing, including the papers relevant to the pay appeal should be sent out 5 working days in advance of the meeting.
- d) The employee should be provided with the opportunity to send any written submission of evidence to the panel prior to the appeal hearing. This information should be sent

to the headteacher with a minimum of 5 working days in advance of the meeting so that any additional evidence/papers can be circulated to the members of the Local Governing Body/Board of Directors' panel and to the HR Advisor. It is the responsibility of the employee to ensure that a trade union representative or work colleague is available to attend.

- e) The Pay Appeal hearing will be heard by a panel of three Governors/Directors who were not involved in the original pay determination.
- f) The Appeal hearing will provide an opportunity for the employee, accompanied by their trade union representative or work colleague to make representations in person and for both parties to present their evidence, call witnesses and ask questions.
- g) At the end of the appeal hearing, the panel will consider the evidence presented and reach a decision. It is the headteacher's duty to consider the advice given by the HR Advisor attending on behalf of the academy and the MAT.
- h) The outcome of the appeal hearing will be confirmed to the employee in writing along with the rationale for the decision within three working days.

Pay appeal decisions are final and binding on both parties and may not be reopened under the academy/MAT grievance procedures. The pay appeals process should be carefully managed and notes taken. Teachers making representation at Stages 2 and 3 may be accompanied by their trade union representative or work colleague.
